IF HISTORY SIGNED BY ATHLETE—I have reviewed the health history with the athlete whose name appears above.

IMPORTANT: If there is any significant change in the athlete's health, the athlete's condition should be reviewed by a licensed examiner before further participation.

SECTION C: MEDICAL CERTIFICATION

A physical examination performed by a licensed examiner is required for initial participation.

EXAMINER'S NOTE: If the athlete has Down syndrome, Special Olympics requires a full radiological examination establishing the absence of Atlantoaxial Instability before he/she may participate in sports or events which, by their nature may result in hyperextension, radical flexion or direct pressure on the neck or upper spine. The sports and events for which such a radiological examination is required are: equestrian sports, gymnastics, diving, pentathlon, butterfly stroke, diving starts in swimming, high jump, alpine skiing, squat lift, snowboarding, flag football team competition, and soccer.

I have reviewed the above health information on and examined the athlete named in the application, and certify there is no medical evidence available to me which would preclude the athlete's participation in Special Olympics.
